How a RIPE Plenary is Born

When a presenter and a conference love each other very, very much...

RIPE Plenary Programme built:

By the RIPE Programme Committee

From presentations by the RIPE Community

To complement the Working Groups

This presentation demystifies both the Programme Committee and the process of submitting presentation.

And presents the current location of Elvis. Just because I could.

Programme Committee, Programme Committee, Wherefore art thou PC?

Main purpose:

Recruit, select talks for the Plenary

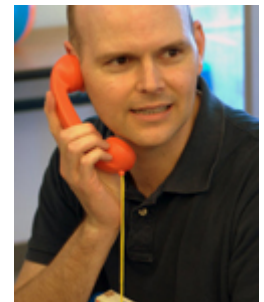

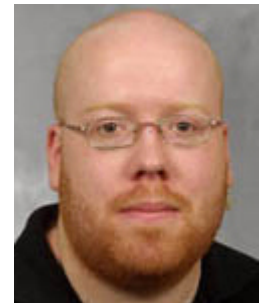

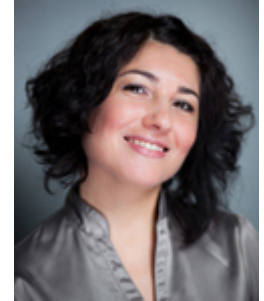

Plenary content should:

Appeal to network operators, RIPE constituents

Coordinate engineer and policy content with the interests of the RIPE working groups

Motivate RIPE Meeting attendance

Educate, entertain
