AMS-IX to assume CAR-IX management and operations
CAR-IX is rebranded to AMS-IX Caribbean

The Amsterdam Internet Exchange (AMS-IX) takes responsibility for the management and operations of the Caribbean Internet Exchange (CAR-IX) and rebrands it to AMS-IX Caribbean. Members of AMS-IX approved of this initiative after a 24-hour voting procedure. Previously the members of CAR-IX had...

SEACOM to be the first pan-African reseller of AMS-IX Amsterdam

SEACOM, a pan-African ICT enabler, expands its European connectivity to Amsterdam and is the latest partner to join the AMS-IX reselling program. Joining the program gives SEACOM the opportunity to make connectivity to the AMS-IX platform more easily available for African internet companies. Peering and IP interconnection between African and...
